IN THE YEARS TO COME MAY THE *Wonder*

FOREWORD

"Our Search for Knowledge" — your search and my search — is the theme of this, the fourth annual publication of the Signet.

The knowledge we get from our years in school is the foundation for building a better future — These are the golden years of our life, and we have tried to bring to you a glimpse of the classes, sports and activities that have meant much to us.

We hope that in the years to come (as you look over the pages of this book) you will find pleasure in your memories of your school years.

DEDICATION

In deepest gratitude for their countless deeds which have brought them closer to their students, their understanding in solving many of the problems of the students, and because of their gracious manner which inspires the students to want to become better citizens and continue their search for knowledge, we dedicate this 1960 Signet to Mrs. Nellie Powell and Mr. Richard Holt.

ADMINISTRATION

C. C. Eversole

Curiosity is an inherent characteristic of a person. Nature has provided that each individual should be curious. In infancy, we observe that the baby is constantly exploring — finding out more about his surroundings. This trait follows the individual from infancy to senility. It is a wonderful trait, if used constructively, and it is the essential force in the "Search for Knowledge".

Knowledge means more to us than the accumulation of facts. The ability to use these facts wisely and discretely is essential in our day. Students are challenged to acquaint themselves with the accumulated knowledge of the past and to be conscious of contemporary conditions. The past and present world outside offers much to learn. However, in this noble quest, the student must be ever mindful of himself. "Know thyself" was the advice offered over two thousand years ago by Socrates to the youth of his day. This advice still holds. The student needs to relate himself to his experiences. From this relationship, he should be able to choose his course in life.

We have just begun to discover the mysteries of the universe. The diligent explorer will help to unfold many of these mysteries. The quest for knowledge goes on and on ad infinitum. The Atomic Age, the Nuclear Age, the Space Age, all of these ages are within the span of your memory. Ages and historic landposts are coming and being passed with increasing speed. You are fortunate in being a part of this great era. Soon you will create your own age or era. We, your elders, are confident it will be the best.

Our search for knowledge is endless. It is our responsibility to seek knowledge in all our endeavors in order that we may know the truth. It has been written, "Ye shall know the truth and the truth shall set ye free."

The successful completion of high school should serve as a challenge to further stimulate the learner to greater heights, to more promising rewards. Our educational progress must not stop with graduation. We must constantly strive to better ourselves individually and, in so doing, we better our community and our world.

Many new ideas have been advanced during our time — ideas that only yesterday were dreams in the minds of knowledge-seeking men. Many more such ideas must be borne to improve our environment. Each dream, each thought, each idea must be questioned, weighed, analyzed to determine its true value to man.

Our duty lies before us; we must accept it. Our search for knowledge, for truth, for guidance must never waiver. The light from the lamp of knowledge must always be bright; if so, our future too will be bright.

Our helpers in Our Search for Knowledge

In her second year typing class, Mrs. Utley explains tabulations to Judi, Gloria, Mary Ann, and Joyce.

Donald Wheeler and Barbara Harvey are proving examples in Geometry while Miss McPherson looks on.

In Geography class, Mr. Holt helps Danny Nicholas locate the countries of South America.

The art class, taught by Mr. Pitzenbarger, is getting a few points on perspective before they begin work.

Mr. Turner, driver education teacher, seems amused at something — Wonder what?

Even snow doesn't seem to daunt Mrs. Powell's spirits while on bus duty.

We couldn't get along without our two Sallies in our lunchroom.

Becky, Linda and Linda are efficient helpers during the rush at lunchtime.

Mr. Cox was our visiting minister at our Christmas assembly.

Eugene is always around when we need him.

Miss Mac had too much of New York.

The Patrol boys at work.

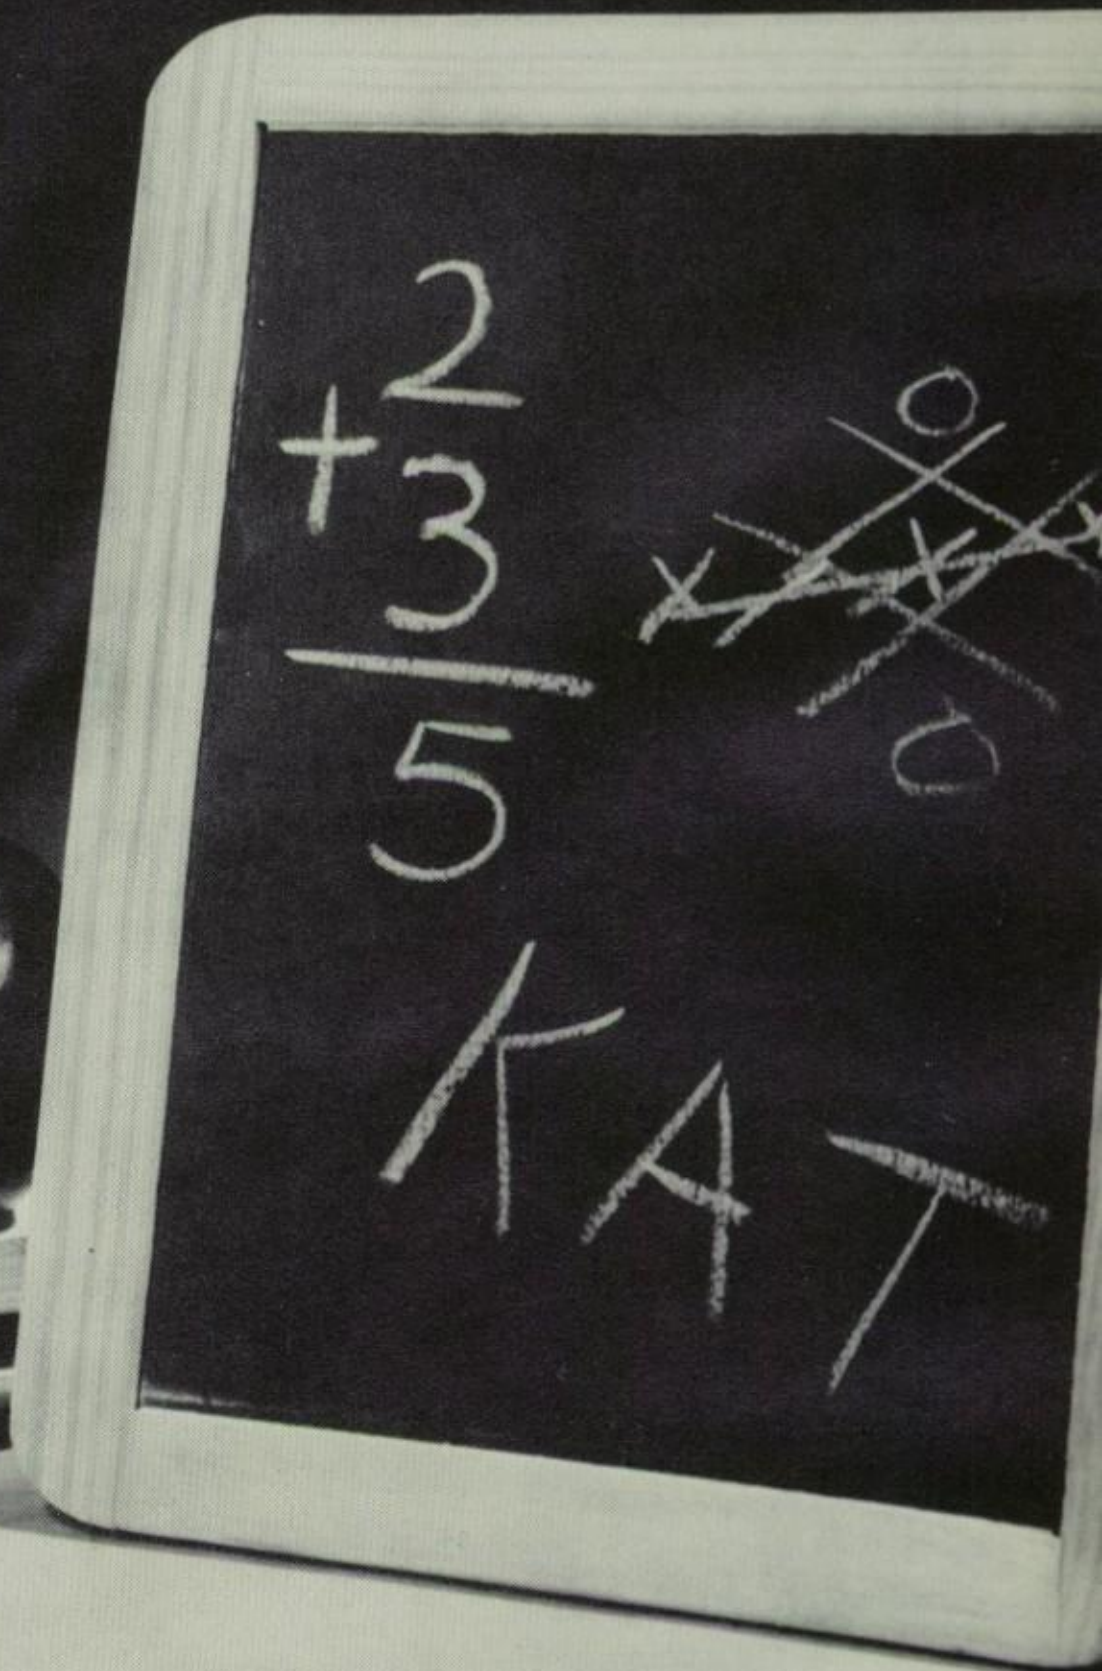

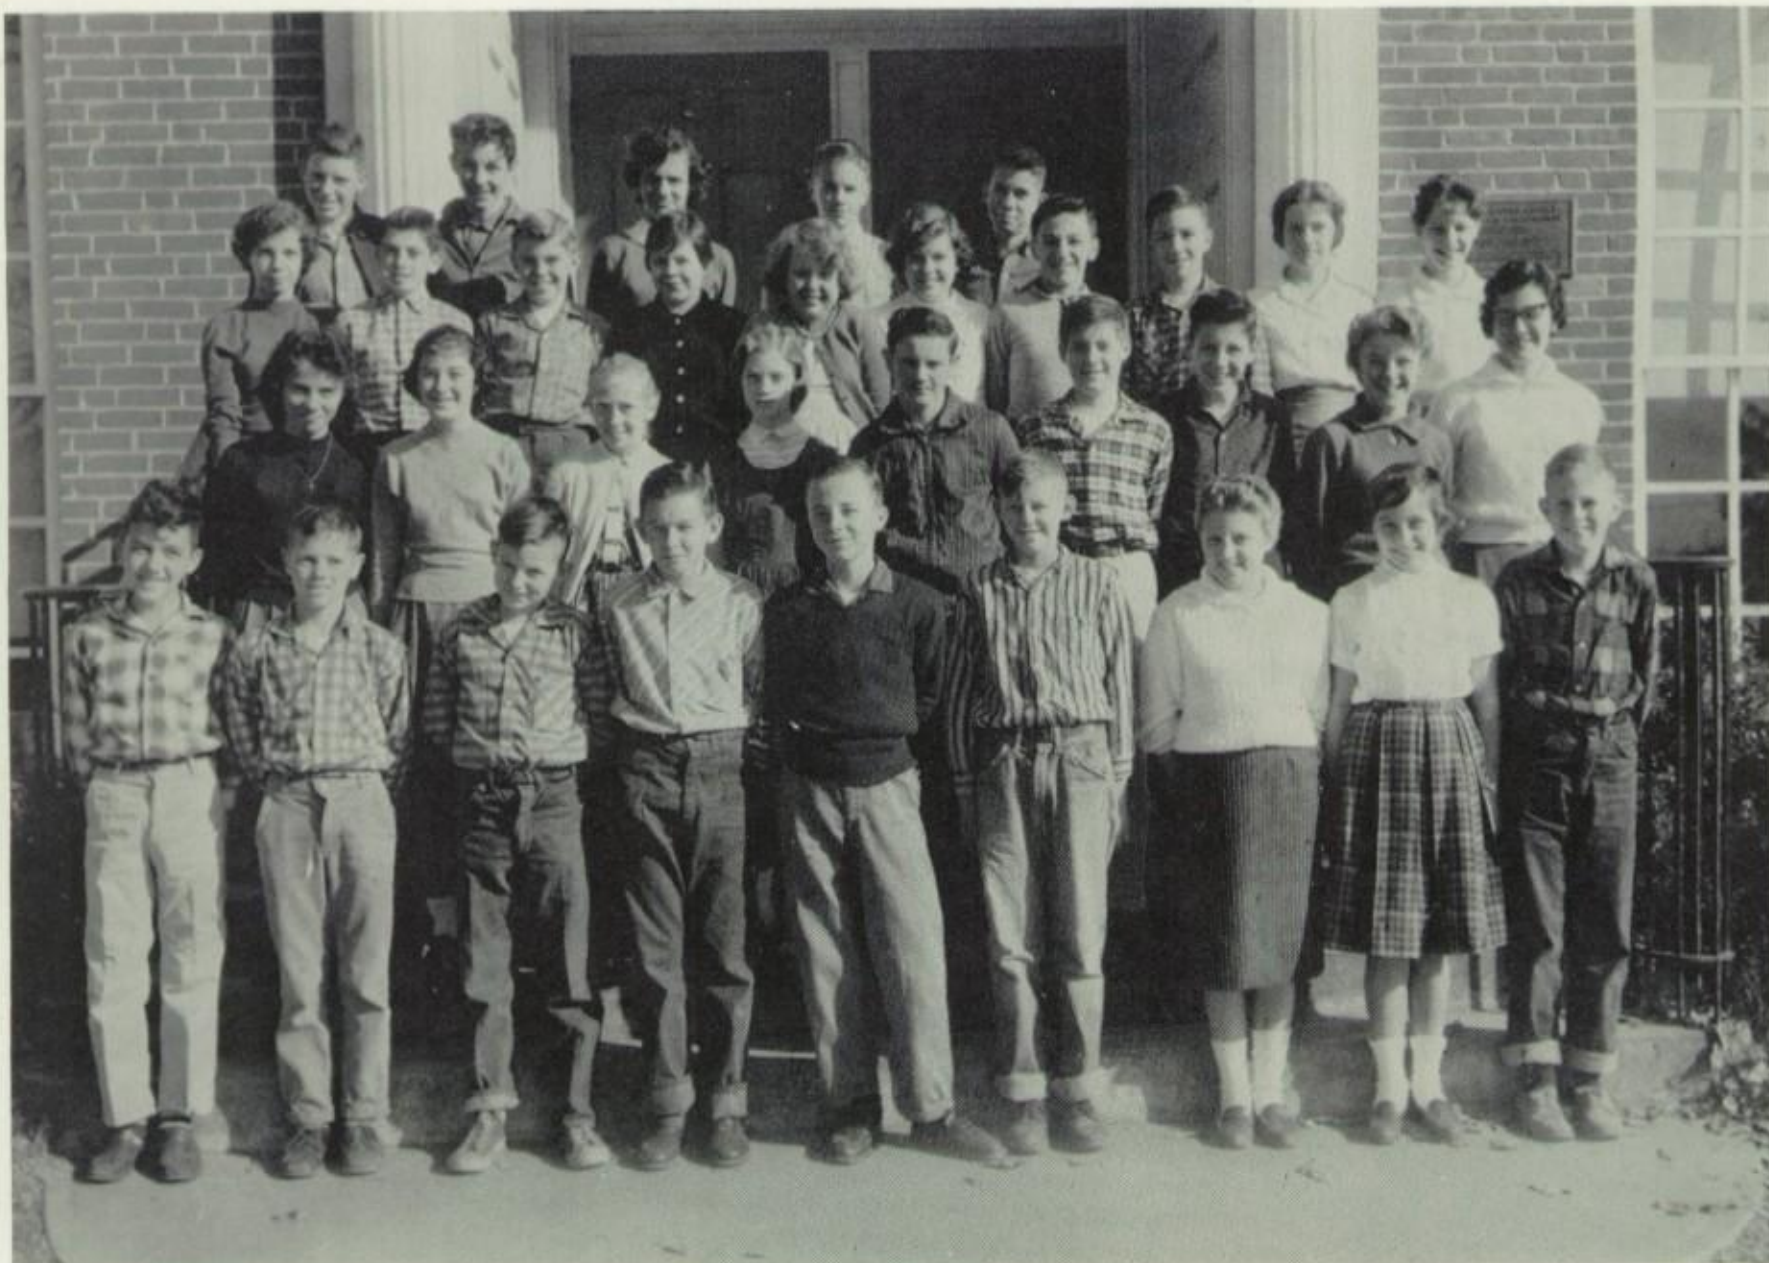

Mr. Pitsenbarger and his art class made life-like figures for the Thanksgiving exhibit.

Mrs. Palmer, our lunchroom manager, also sells school supplies to our students.

FIRST GRADE

To provide entertainment for her class, Mrs. Martin teaches her pupils the Mexican Hat Dance.

Mrs. Martin and Mrs. Watts are very careful to see that no accidents occur while their pupils are playing outside.

Activities Among the Lower Grades

Mrs. Tucker and her Third Grade decorated the bulletin board for November.

Miss Garbee is administering first aid to Jody.

Miss Higgins is teaching her girls to play softball.

Each year a hobby show is held in Mrs. Massie's Fourth Grade.

W.T. Gillespie and Wayne Tomlin are practicing before Mr. Lampere arrives.

Science Club Trip to Buffalo Mines

Russell White, president of the club, takes a few notes on the trip for an article which he wrote for the newspaper.

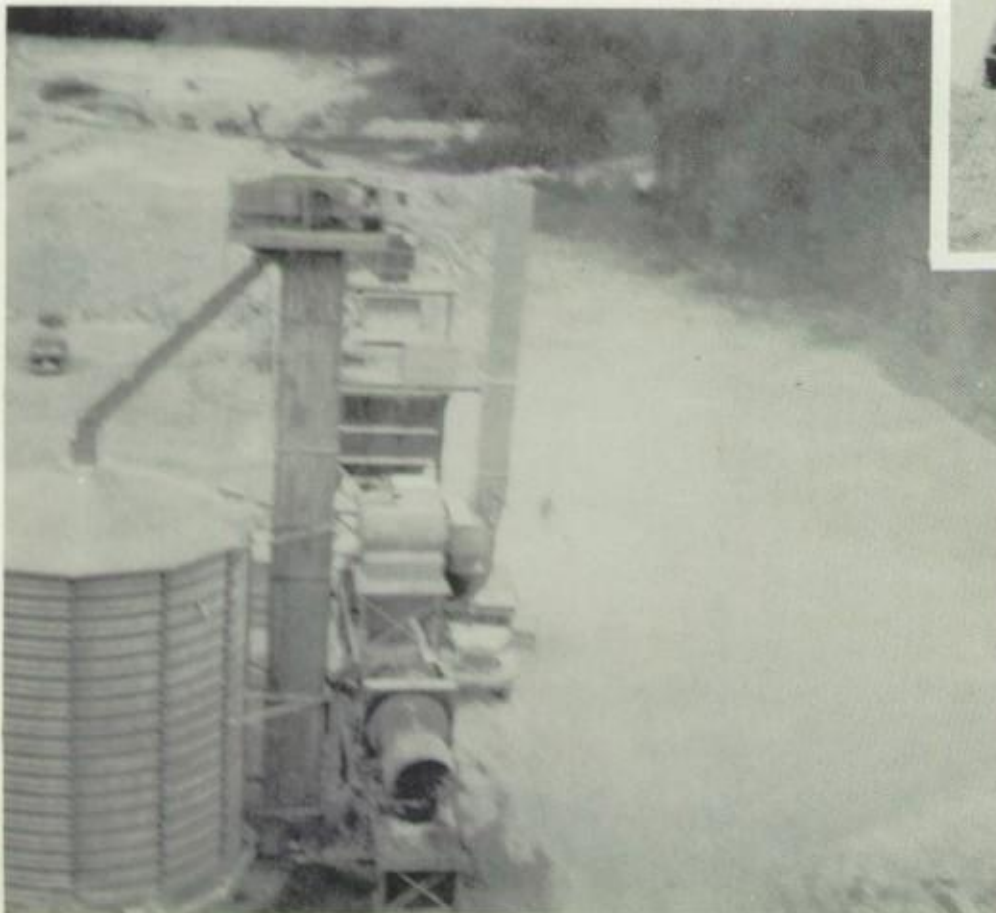

Mr. Brand, president of Buffalo Mines, acts as a guide on the tour of the mine and answers any questions that Nancy and Russell may have.

To start the year out right, the Science Club took a trip to Buffalo Mines; a new aplite mine near Piney River.

The trip not only proved to be educational but interesting for those who were able to go.

After the Aplite has been blasted with T.N.T., it is loaded onto trucks which dump it into a crusher where it is grinded into precise sizes.

Those who weren't afraid of heights got a nice view of the mine from atop of the storage bins. Here the photographer shows the machinery used in washing and drying the aplite.

ACTIVITIES

Russell White
Editor

Mr. Eversole is looking up the contract for Miss Mac so she can see if a few extra pages can be added.

Quite a bit was accomplished the night part of the staff met at Sonja's home.

Left to Right, 1st Row: Seated - Donald Wheeler, Tony Anthony, Lois Sigmon, Russell White, Linda Middleton, Gaynell Hunter, Wanda Tweedy, Ann Riley. 2nd Row - Roy Riner, Linda Stephens, Janet Fisher, Sonja Gowen, Sue Hill, Joyce Lee.

STAFF

The Annual Staff worked diligently for days to strive to bring to you a more thorough book of the school life and one that you may cherish in years to come.

There were many responsibilities getting pictures of every student and correctly identifying them, sufficiently covering the activities of all the clubs, and then making sure that all sports and special events were included.

We hope that you will get as much pleasure from reading it as we did in preparing it for you.

Much planning and work was done by the staff before actual work could be started.

Gaynell is checking with Linda to be sure all pages are numbered correctly.

Linda has made a sale and is writing Carroll a receipt for his copy of the Signet.

SCIENCE CLUB

Miss Weiland teaches her Chemistry students the principals of making hydrogen and oxygen during Chemistry class.

The Madison Heights High School Science Club was organized in November 1948. Since that time we have strived to become an active club.

The purposes of the club are to increase our knowledge of science, to learn to perfect our skills, to give service in our community and nation, and to understand the importance of science in our lives.

The main project of this year was sponsoring the Madison Heights High School Science Fair.

The Beta Club is a national organization which endeavors to stress leadership service. It encourages creditable achievement, good mentality, and superior character. Through this club the following cardinal principals are promoted: honesty, justice, service, cooperation, responsibility, industriousness, humility, and charity.

"Let us Lead By Serving Others" is the Beta motto. Our club will ever attempt to impress students with the fact that only through service to others will true happiness be achieved.

Mary Ann, Mrs. Farmer and Lois are checking over the Sophomore record cards to see who is eligible for membership. This is a tedious job, but we are always proud of those who meet the requirements.

Gloria and Judy are redecorating the bulletin board.

BETA CLUB

Russell White, Mrs. Farmer, Sponsor, Gloria Franklin, Judy Hesson, Mary Ann Tyree, and Lois Sigmon.

Mrs. Powell, on her way to Latin Class, takes time from her many duties to oblige our cameraman.

LATIN CLUB

The life a Latin slave, in the days Julius Caesar lived, wasn't anything as enjoyable as it is today at Madison Heights. At our annual Roman Banquet, the slaves, who are composed of first year Latin students, provide the other students and invited guests with an evening of entertainment and uncomparable service.

In addition to our Banquet, the Latin students publish the school newspaper. It is called "Vox Scholae", and means The Voice of the School.

This year the Latin students brought to life a glimpse of Christmas in Rome with a Roman Saturnalia for the Christmas program in the auditorium.

We are all looking forward to the annual Latin Picnic held in Miller Park.

First Row: Left to Right: Ronald Wheeler, Linda Middleton, Gaynell Hunter. Second Row: Enoch Feagans, Sue Hill, Wanda Tweedy. Third Row: Donald Wheeler, Billy Paris, Dorothy Hill, Ann Riley. Fourth Row: Brenda Paris, Bonnie Whitmore, Danny Nicholas, Billy Paris. Fifth Row: Mrs. Powell, Lynwood Tyree, Enoch Feagans, Leon Bullington. Sixth Row: Wayne Manley, Carson Ward, Montague Nicholas. Officers: President - Mary Ann Tyree, Vice President - Lois Sigmon, Secretary - Elsie Sigmon, Treasurer - Larry Bryant.

SPANISH CLUB

The Spanish Club, under the leadership of Mrs. Nellie Powell, has become a useful organization in acquiring a better understanding and more admiration of our Spanish speaking neighbors.

Our club is composed of students who are taking a course in Spanish this year or those who have already completed at least one year in the study of this language.

This year, some of the more industrious students became pen pals with our Spanish-speaking friends and some excellent reports were given.

The major social events of our club were our annual picnic, the breaking of the Piñata at our Christmas party, and the gala fiesta.

Mrs. Powell is busy in helping to prepare the food for the Spanish Fiesta.

Part of Jerry's job while taking D.O. is to get practical experience in his field of work. He is busy learning how to check tubes in a television set at Paris Television Co.

D.O. CLUB

D.O. is part of the high school vocational education program. The main purpose of D.O. is to provide the high school student with an opportunity to learn a vocation while still in school. Upon graduation these students will have job experience, so that they may be efficiently prepared for profitable employment.

Mr. Seal, teacher and sponsor of the D.O. Club, seems happy in his new classroom.

Seated: Wayne Manley, Doris Neighbors. Standing: Mr. Seal, Jerry Sitton, Donald Hunt.

Seated: Kirk Murphy, Brenda Williams, Jewel Cottrell. Standing: Mr. Seal, Mildred Harrell, June Bryant.

D.E. CLUB

D.E. is part of the high school vocational education program. The main purpose of D.E. is to provide the high school student with an opportunity to learn a vocation while still in school. Upon graduation these students will have job experience so that they may be efficiently prepared for profitable employment.

The D.E. Club sponsored an illustrated lecture by Mr. Briggs on his trip through the Holy Land.

Billy Caswell works in the electrical appliance department at Guggenheimers as part of his D.E. class.

STUDENT COUNCIL

The Student Council is a vital part of our high school. One of their most interesting activities was Madison Day -- "clean up" day at Madison High.

Mr. Eversole is busy running off programs on the mimeograph machine for the Student Council.

Left to Right: Sarah Clements, Gaynell Hunter, Benny Hesson, Nancy Johnson, Tommy Clements, Brenda Williams, Russell White, Mary Ann Campbell, Jerry Sitton, Butch Layne, Sue Hill. Seated: Mr. Eversole - sponsor.

First Row: Left to Right: Frances Vest, Audrey Leonard, Martha Per Dieu, Carolyn Tyree. Second Row: Barbara Harvey, Bonnie Williams, Carolyn Sleigh. Third Row: Mary Nash, Estelle Rucker, Shirley Drinkard. Fourth Row: Nancy Owens, Beverly Richardson, Sadie Gunter. Fifth Row: Mrs. Higgins (sponsor), Lura Marks, Nancy Purvis, Betty Childress.

F.H.A.

This organization, which is National, State, and Local, strives to enrichen the lives of its members through home, school, and community projects.

The girls have fun making their corsages during Christmas time.

Carroll is the first customer when the girls have their bake sale.

Mrs. Higgins gets every thing under control when the Home Ec. department serves refreshments to the teachers.

Left to right: Seated, Miss Zirkle, Linda Logwood, Linda Middleton, Joyce Lee, Lois Sigmon, Elsie Sigmon, Wanda Tweedy, Betty Jo Eggleston. Second Row: Bonnie Whitmore, Gloria Franklin, Mary Ann Tyree, Judi Hesson, Janet Fisher, Mildred Harrell, Diane Viar, Sandra Nuckols, June Bryant, Martha Per Duie, Audrey Leonard. Third Row: Brenda Paris, Nancy Johnson, Russell White, Jewel Cottrell, Kirk Murphy, Sue Hill, Gaynell Hunter.

Linda and Russell help with the Audio-Visual Aide Program as a part of the Library Club. Here they are threading the projector.

LIBRARY CLUB

The purpose of the Library Club is to improve the library and its services, and to stimulate an interest in books and reading among the students.

The Library Club of Madison Heights High School promotes interest in the library.

The members of the club help with the inventory and repair of the books.

Miss Zirkle checks all papers important or unimportant, coming in or out of the library.

Kelly Dean, president of the Glee Club, is singing a solo.

Mrs. Kelley always has that same cheerful smile when things seem a little gloomy for other people.

GLEE CLUB

Left to Right: Lynwood Tyree, Leslie Ray, John Purvis, Mrs. Lillian Kelley, Linda Wood, Sonja Gowen, Lynda Viar, Kirk Murphy, Linda Tyree, Jerry Sitton, Nancy Johnson, Nancy Burks, Linda Stephens, Elsie Sigmon.

This year the music class studied American composers, both classical and popular and learned some famous American compositions. We particularly emphasized the Folk Music of America. Our activities included a special Christmas and Easter program presented to the Student Body.

ATHLETICS

Front Row: Linda Middleton, Virginia Proffitt, Nancy Sleigh, Linda Wood, Sue Hill, Bonnie Williams, Ann Riley. Back Row: Nancy Johnson, Marie Dalton, Gaynell Hunter, Dot Hill, Linda Tyree.

This year the girls played three volleyball games and participated in the tournament. The tournament was played in the National Guard Armory at Bedford. We played Big Island October 2 and New London October 9.

GIRLS AND BOYS VOLLEYBALL

Front Row: Ray Cunningham, Barry McBride, Linwood Phillips, Carroll Amiss, Kelley Dean. Back Row: Clinton Tyree, Ronald Wheeler, Donald Wheeler, Winston Lee, Billy Paris, Enoch Feagans, Tony Anthony.

Miss Zirkle, Nancy Sligh, Ann Riley, Brenda Williams, Nancy Johnson, Sue Hill, Dot Hill, Virginia Proffitt, Barbara Harvey, Maria Dalton, and Martha PerDieu.

This is the first time in several years that Madison Heights has had a girls basketball team. We were glad to have Miss Zirkle as our coach. She has worked hard and although our team did not have as good a season as we had hoped for, we didn't give up but kept trying to do better. We played thirteen games and participated in the tournament.

BASEBALL

Donald may be a south paw, but in baseball he is tough competition.

Linwood does some practice batting before baseball season officially opens.

Gaynell Hunter, Russell White, Ann Riley, Linda Middleton, Roy Riner, Tony Anthony, Donald Wheeler and Wanda Tweedy.

AD SOLICITORS

It is only through the generosity of our advertisers that we are able to publish our annual — many thanks go to each.

Junior Bryant is always courteous and gives his customers prompt service.

We were all smiles when leaving, but don't let anyone kid you that getting ads isn't hard work.

Mr. Abrams in Stewart's Jewelry store was gracious when giving us an ad.

COMMENCEMENT

Perhaps you have been thinking of this occasion for some time. Graduation is only the beginning of a brighter future. We hope that it is a "commencement" of greater things to come.

In America we enjoy the world's highest standard of living. If we are to continue to enjoy these benefits, we must have better trained men and women. We need more scientists; more trained engineers; and better qualified people in all walks of life. It's your future — use it wisely.
